The reply filed on November 27, 1998 is not fully responsive to the prior Office action because of the following omission(s) or matter(s):applicants fail to argue the rejections set forth in the last Office action which would specifically pertain to the newly filed claims. For example, canceled claim 141 was rejected under 35 U.S.C. 112, first paragraph because the specification was not enabling for the claimed broad scope, yet newly filed claim 308 would be subject to the same rejection. Thus, the response or argument would be pertinent. Again, no arguments to the rejections set forth in the Office action have been set forth by applicants, and filing new claims subsequent to the cancellation of all prior claims does not remedy the situation since the new claims do not differ enough to make the prior issues moot. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
